Herd Established 1937

To Fellow Breeders and Cattleman:

It is with a great deal of pleasure we welcome you to our Fifth Annual Production Sale. Also, in behalf of our Fellow Breeders who have consigned to the sale we invite you to honor us with your presence on Saturday, August 21st. We will be most pleased to have you whether you are interesting in buying or not.

We will be selling some of our good daughters of bulls we have used for the last several years, which have in our opinion sired numerous foundation seedstock. Namely—THOMAS KODIAK 107 X, TRIWAY HIGHLAND LEADER X, UPSON CONSORT 3RD X. All modern bred bulls and meeting the standards of the industry in growth for age, size and scale. Daughters of these bulls serve in the better herds in the southeast and we have had many fine reports of their production and developing into good brood cows. We will be selling fewer and fewer daughters from these bulls.

During the last year we have added outstanding young sires from an individual standpoint, as well as pedigree and performance. The feature of our sale will be daughters of our proven herd sires bred to these top Junior sires. We hope you will take a moment and study the pedigree of each, noting the proven and well known ancestry. From the Clemson University Gain Test Sale, we selected TRIWAY SUPER FLAG X 3578-082, son of Mandalong Super Flag, the Australian Sire.

This outstanding individual had a record gain over all breeds in the sale and broke all records at the station. He is most impressive to see and his record indicates his doing ability. Service of LANCER OF ASHBORNE X also sells. He is a promising young bull with excellent tabulation, son of Thomas Leader 116 B X, owned by Swanee Valley Farms. Some of the bred heifers will carry the service of HCS Kodiaks BIG OX C102 X. One of the top selling bulls in the Tennessee National. Buyers will get some of their first calves.

Be sure to look over the pedigrees of animals from our Fellow Breeders, they have good cattle, modern breeding and many top individuals worthy of your attention. Without them we could not have had our sale. Also, we thank all of you who attended the Southeastern Field Day. Come more often and stay longer.

Sincerely yours,

T. Elias McGee

STATEMENT BY SALE MANAGER

While America is celebrating its 200th birthday recounting the past and looking to the future, it is time to point out the part SHORTHORNS have played in the building of our country. The breed first made its appearance on the shores of Virginia about 200 years ago.

Early settlers depended upon the Shorthorn to furnish, meat, milk, transportation and as beast of burden, helping them sustain life. Most surely, the Shorthorn has a treasured place in the role of American history. One might say! "Happy Birthday to Shorthorns" as well as to America.

It is interesting to note that the American Shorthorn Ass'n. was formed in 1872, about 26 years after the first Herd Book (recording of pedigreed seedstock) was established by Lewis F. Allen, known as the "Father of the American Shorthorn Herd Book". Since this time volumes have been written as to the value of the Shorthorn and rightly so because Shorthorns help make America and help make the livestock industry in America great.

During this long history of Shorthorns, their popularity continues to grow, they are sought after by both the cattleman for cross-breeding and the breeder, large and small throughout North America.

T. Elias McGee and one of his Fellow Breeders combine a long span of breeding Shorthorns and Polled Shorthorns, namely Joe B. Broyles. The breed has been good to them for nearly 40 years and they have been good for the breed. Others selling in this sale have been long time breeders, while some are relatively late comers. The breed affords some of the best in genetics, which will compare with any of the numerous breeds in the world. Yet, the task of selecting and breeding is unending and lies as a responsibility to every breeder whether large or small, beginner or long time breeder. It would be most interesting to look into the future and see just what the breed will look like hence 100 years. For sure, the breed will have to measure up with the best, then as now. It behooves all to contribute to the betterment of the breed and in doing so you may help shape the breed's future. I will be looking forward to seeing you at the sale, which will be one of our best offerings.

Sincerely,

W. Scott Wilson

Dedicated

To the fact that all cattle are not created equal, that it is possible through selective breeding to develop beef animals that will not simply compete but will surpass all other beef cattle regardless of origin, color or breed!

That it is necessary to be constantly aware of the demands of the producer, feeder, packer and consumer.

That every medium of improvement available be considered, coupled with clear vision, understanding, and keen foresight to anticipate an ideal beef---animal and achieve that goal !

McGEE SHORTHORN
POLLED SHORTHORN

GENERAL INFORMATION

THE SALE: The 4th production sale of T. Elias McGee, Route 2, Starr S.C. and Fellow Breeders as guest consignors.

THE DATE: The sale will be held rain or shine Saturday, August 21, 1976.

TIME: The sale will begin sharply at 1 P.M.

PLACE: The sale will be held at the John C. Taylor Livestock yards, clean and convenient to all travel. Located on the east side of the city at junction of Hwy. 178 and U.S. 29 by-pass.

SALE HEADQUARTERS: Holiday Inn, located on U.S. 76 and 178, North Main at North Avenue, three miles south of I-85. Telephone Area Code 803, 226-6051, four miles from airport. Make reservations direct. **OTHER ACCOMMODATIONS:** Carolina Terrace, downtown Anderson, Phone number Canal 6-3411.

LUNCH: There will be lunch at or near the site of the sale.

LENGTH CATTLE CAN STAY AT YARDS: It is important that all cattle be moved from the barn as soon as possible and before Monday, August 23. Buyers who cannot move their purchases at the time indicated, may arrange with the owners or sale manager to load them at an appointed time. Cattle will be kept without charge for this period.

HEALTH: A clean test for T.B. and Bangs will be conducted within a thirty day period of the sale. Individual health charts will be made available by Dr. Earl Baker, Department of Animal Health, State of South Carolina, Columbia, for any cattle going out of the state. Animals will be eligible for interstate shipment anywhere.

OWNERS ADDRESS: T. Elias McGee, Route 2, Starr, S.C.
Phone: 803/352-6283

Insurance: Insurance will be available from the sale manager

TRUCKS: Trucks will be available upon request, arrangements should be made through the Sale Manager.

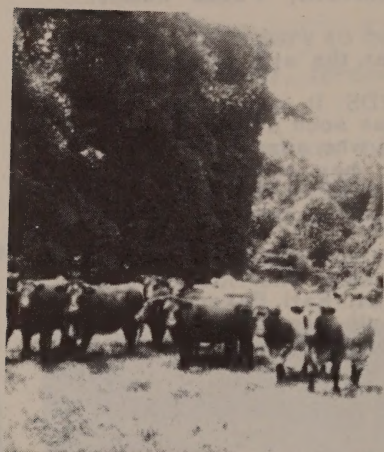

MR. & MRS. T. ELIAS McGEE

THE McGEE FAMILY WELCOMES YOU

Terms and Conditions

THE TERMS: Terms of the sale are cash. Settlements are to be made with the clerk at the conclusion of the auction. All animals will be at the buyer's risk as soon as bid off. However, due care shall be exercised in the handling of each animal until they are loaded out.

PAYMENT: Payment can be with personal check or cash. It is requested personal checks carry your bank number and bank name. Persons without personal check will be asked for full identification. Purchasers cannot load out cattle until paid for.

GUARANTEE: Each animal will be sold under the standard guarantee of the American Shorthorn Breeders Association. All animals are guaranteed to be breeders with the exception of calves at side, which their breeding ability is sometimes impaired by management practices.

LIABILITY: The sale manager - auctioneer, members of his staff, ringmen, clerks or anyone connected with the sale are not liable for accidents of any kind. Persons attending the sale, do so at their own risk. The sale manager was employed by T. Elias McGee and Fellow Breeders, as agent only, and cannot be responsible for errors in health charts, or fulfillment of guarantee. It is believed all information in the catalog is factual but is not so guaranteed. Announcements made from the auction stand take precedence over all printed matters in the catalog or advertising.

INSURANCE: Insurance will be available at the clerk's table or from Sale Manager.

MAIL BIDS: Mail bids or bids by phone may be sent or given to any of the representatives listed as follows:
*W. Scott Wilson, Sale manager, G. Shirley Myers,
C. O. Swaffer.*

One of the most talked about young bulls in the industry. Sired by the great Mandalong Super Flag X 3521872, THE AUSTRALIAN — ALL AMERICAN, who was a popular winner at the Toronto Royal and Canadian Western Agribition and grand champion at the National Western, Denver. He was the first bull bred and born in Australia to accomplish these honors. Triway Super Flag was bred by Dr. George W. Smith, D.V.M., Triway Farms, Greenville, S.C. The dam is a daughter of the great TPS Coronet Leader 21st, who has sired bulls that have been foremost in major shows and sales for the past six years. Namely, Kinnaber Leader 6th, Kinnaber Leader 9th "Big Gene", Weston Trademark "Fillet". The later two were sires of the year and the 6th was second place sire of the year. Triway Super Flag has a Performance Record of: 205 day adjusted wt. 617 pounds, Grade 13. 140 day gain test: 3.79 lbs. per day, Grade 14, weight off test 1326 lbs. Weight at 365 days of age was 1066 pounds, weight per day of age 3.14 pounds per day. Index 177.6. The ancestry of this young sire represents some of the very best the breed affords in Performance, both in the feed lot, the show ring and the breeding herd. His service sells in the sale through lot 1 and lot 2.

A recent addition to the McGee Herd bull battery is this powerful big, roomy roan bull. A bull with a lot of scale and size and with ancestry of the same kind. He is sired by the Canadian bred Thomas Leader 116 B, a powerful breeding son of the Butte Lee Leader 21st. He was sire of the year and sired two bulls that were Sire of the Year. The dam of this bull represents the best in domestic breeding in polled shorthorns. Here is a bull that is destined to leave a lot of good cattle. His service is a feature of the McGee offering.

This great cow is offered as a special attraction for this sale. We purchased her in Canada direct for the Kinnaber Stock Farm. She leaves us with 3 great females and 1 bull. Due to calve October 13, 1976 by Triway Royal Duke. Examined safe in calf.

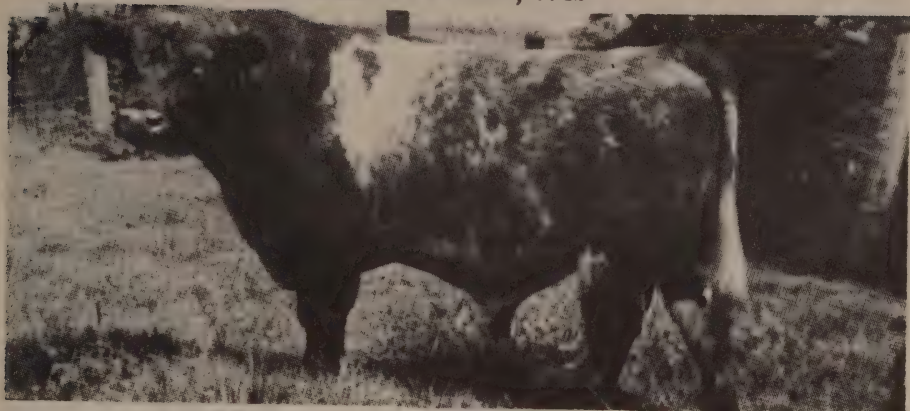

Sire of Lot 26 consigned by Triway Farm, Greenville, S.C. TPS Coronet Leader 21st was sire of the year. Sired "Big Gene" and "Fillet", both were sire of the year.

Grandsire of Lot 27, TPS Coronet Leader 21st X3098353. He was named "Sire of the Year" among Shorthorn and Polled Shorthorns in 1970. Two of his sons now acclaim the highest honors of the industry in this breed... Weston Trade Leader (Fillet) a son, has now garnered both the 1970-71 Sire of the Year and the recently announced 1971-72 Sire of the Year. Another famous son has captured Second Place Winner in the "Sire of the Year" Contest. He is sire of three grand champion females in the National Western Show for the years 1969-70-71. ABS data shows TPS Coronet Leader 21st X as one of the great sires weighing 2250 lbs., his progeny are listed as Very Good and Outstanding, feed lot ADG on 8 bull calves was 3.03 lbs. per day.

A real good brood cow. The only reason we would sell this cow is that we are keeping her daughter for replacement. Sells with good bull calf at side by Lincoln Leader, the red bull we sold in the Spring Sale at Clemson and is rebred to our young bull Sutherland Greenup the Reserve Champ at the Tennessee National Sale. Bull calf born February 29, 1976.

STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers, sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial, for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
